Description

Hello, and thanks for bidding on another MainForce auction! You are bidding a Studebaker dump stake truck, produced by Shrock Bros. of Coalport, PA. These models are cast pewter and feature a hand-rubbed acrylic enamel finish. It is 1:43 scale and is approx. 5in long. This all-original model appears to be nearly as new and unused in the box with beautiful, lustrous paint and nice detailing (the emblems on the cab are wonderful!) and the original mirrors are included; the body raises smoothly. The original box is like new. This Studebaker would make a nice addition to your toy collection!

Special note to Pennsylvania bidders- please add 6% PA sales tax to your winning bid.

Requests for a buy it now price will be ignored. Buyer to pay all shipping charges. I'm always happy to combine purchases and to ship overseas. I accept PayPal. Payment must be received within ONE (1) WEEK of the end of auction, or relisted or sold to the next highest bidder. I ship via the United States Postal Service.

Special note to international bidders- Please do not ask me to mark your item as a gift or to undervalue the item on the customs form. Due to lost packages, I no longer ship to Italy.

Thanks!
