Auction is for a 1/43 scale of a 1963 Studebaker E45 Diesel 96BBC tractor trailer and lowboy trailer. Made by Shrock Brothers in Coalport, PA. Great truck and trailer to display your other Studebaker toys on

This is a rare find and listed as serial number 07. I believe less than 10 of these were ever made. Comes with packing material.

Truck measures approximately 4 1/2 inches long by 2 inches wide by 1 3/4 inches high. Trailer measures 6 wide by 3/4 inch high.

The models are constructed from pewter with a hand rubber acrylic enamel finish. The windows, where applicable, are made from butyrate sheets and the bright parts are cast from the same Britannia used in custom jewelry.

The 1/43 scale models were made from 1985 until 1993. In 1988 a 1/55 scale model was introduced and with all production of the scale vehicles were switched to 1/72 scale. For more information on this company check out www.shrockbrothers.com
