## DESCRIPTION

Hello, and thanks for bidding on another MainForce auction! You are bidding a Studebaker Champ pickup in Apache Red, produced by Shrock Bros. of Coalport, PA. These models are cast pewter & a hand-rubbed acrylic enamel finish. It is 1:55 scale and measures approx. 3 1/2in long. This model appears to be nearly as new and unused in the box with beautiful, lustrous paint. There is extra white paint around the rear bumper, and the "Studebaker" on the tailgate is not that easy to see due to the thickness of the paint. The original box is in excellent condition; the stamped logos have faded a bit. This Studebaker would make a nice addition to your toy collection!

Special note to Pennsylvania bidders- please add 6% PA sales tax to your winning bid.

Requests for a buy it now price will be ignored. Buyer to pay all shipping charges. I'm always happy to combine multiple purchases and to ship overseas. I accept PayPal. Payment must be received within 1 WEEK of the end of auction, or item will be relisted or sold to the next highest bidder. I ship via USPS States Postal Service.

Special note to international bidders- Please do not ask me to mark your item as a gift or to undervalue it on the customs form. Due to lost packages, I no longer ship to Italy.

Thanks!
