This is a Shrock Bros. 1957 Studebaker E7 Pickup truck 1/72 scale (a little over 3 1/4 inches long). It is as new and has never been displayed. I've had it since new (1' in excellent condition. These larger scale Shrock models are no longer made and are very hard to find, especially in new condition. I am selling some of my duplicates week. There is no reserve. If you want more photos or have any questions please ask. Don't forget to check my other items. At this time I will only ship to USA.
Thanks very much!

I was just notified that this is 1/55 scale. I will not hold any present bidders to your bids if the scale makes a difference to you. Sorry for my mistake.
