Thanks all for all the interest in the Soldiers and Model Vehicles I have been putting on in last couple of weeks. This is the last of the toy cars for a week but I will be putting some interesting toys on the beginning of next week. This is one of 12 lots today. This is the last of the cars and most intriguing to me since I never heard of the manufacturer and had to go on internet to see who they were. They are the Studebaker model makers and still exist today and they sell at quite a price. No reserve. Payment by PayPal preferred. Buyer pays shipping of \$2.50.
